

## **Welcome to Weber Electric Supply, Inc.**

Weber Electric Supply is a full-line electrical distributor for all industrial, commercial, institutional and residential applications. As one of the only locally owned and operated electrical distributors in the Erie area, we have been supplying Northwestern Pennsylvania, Southwestern New York and Northeastern Ohio for more than 30 years with all of their electric material needs. Although our history is based around this area, we have distributed materials internationally and use the resources of exporting companies.

We are active in the communities we serve through membership in the following memberships: [Ashtabula Chamber of Commerce](#) [Erie Regional Chamber and Growth Partnership](#) [Manufacturer & Business Association](#) [National Association of Electrical Distributors](#) [Meadville Area Chamber-Commerce](#)
